

Note on the submission of theses with a blocking notice:

After a positive review, your thesis will be sent to the DSHS library and can be displayed, borrowed, and viewed there.

If you do not want your thesis to be published, made accessible to third parties, or made available to the DSHS library, please submit your thesis with the attached blocking notice.

Please insert the completed blocking notice in your thesis before the cover page!

Please be sure to name your blocking notice PDF using the following template:

Matriculation No_last name_first name_blocking notice_current date.pdf
(z.B. 123456_Müller_Max_BLOCKING NOTICE_31-03-2020.pdf)

When submitting your thesis, please also inform the [responsible contact person](#) of the examinations office for your study program by email that you have attached a blocking notice to the thesis!
