

Sport Project in Uganda

X-SUBA in cooperation with **Sport 4 Development e.V.** is looking for volunteers / interns to support the implementation of the project “**Inclusive Sport Unites**” for at least three months starting from April 2021. Apply now and experience Uganda!

ABOUT X-SUBA

X-SUBA is an acronym and stands for **X-Street Uganda Basketball Academy**. The NGO is based in Jinja, Uganda, and was founded in 2013. The aim of the measures is to mobilize disadvantaged children and adolescents in Uganda's municipalities through game and sport-based leisure activities and to strengthen their personal development. In addition to basketball, other sports such as football and netball are offered as well.

On the [Facebook page of X-SUBA](#) you can get an idea of the current projects and activities.

ABOUT THE PROJECT

The recent inception of the one-year sports project “**Inclusive Sport Unites**” (**ISU**) targets children and young people with and without disabilities in Jinja, Uganda. Youth with disability mainly have hearing / visual impairments. The ISU project will be implemented by X-SUBA in collaborative support of Sport 4 Development e.V.. The aim is to use inclusive sports (football, netball and basketball) to positively influence children and adolescents between the ages of 8 and 18 in their personal development and the internal and external perception of disability. In addition, workshops are to be held in schools that address inclusion and disability, inform about it, educate and raise awareness.

YOUR TASKS

- sporting activities: assisting the training sessions of various teams, possibly organizing and implementing events
- PR: communication with stakeholders and organizational partners, updating the social media platforms and the website, video- / photography
- Administrative responsibilities: reporting, support in M&E activities and accounting,
- Fundraising
- Support in the implementation of educational workshops in schools
- The project may provide a unique platform for research, field and case studies or topics for a Bachelor/Master thesis

YOUR PROFILE

- passionate about sport (netball, soccer or basketball is desirable) and experiences in coaching sports
- linguistic skills: proficiency in spoken and written English; further language knowledge is desirable
- ability to assimilate and adapt quickly into new cultural environments
- project management experiences
- previous sport-for-development engagements are desired
- experience in working with youth with disability is desirable

YOUR CONDITIONS DURING YOUR STAY

Every volunteer / intern is guaranteed a room if it's desired. It is situated in a peaceful and quiet area in Jinja, close to the Lake Victoria and the River Nile. The location is also close to the town and it is easy to access the X-SUBA office and the sport facilities. The X-SUBA Team can pick you up at the airport and provides you with important information concerning your work as well as living in Uganda. Moreover, X-SUBA has sport equipment that can be used by the coaches for training sessions as well as for free time activities.

X-SUBA charges 140 € per month for a room in the house and additionally 60 € for one way transport to / from the airport. The costs for general living, visa fees and flight booking are excluded.

We would like to point out that it is possible to apply for a scholarships that support your work abroad financially, e.g. 'PROMOS' by the DAAD which specially sponsors internships abroad. Refer to the website of the German Sport University and the contact of Evelyn Hinz for further information; 'Konkreter Friedensdienst' by Engagement Global is another opportunity for residents in NRW to receive support for project work in developing countries.

APPLY NOW!

... to become a volunteer or an intern in Uganda and send your application with curriculum vitae to info@sport4development.net and to xstreetug@gmail.com.
