

Join Virtuagym as an Onboarding Consultant DACH (German speaking)!

We are the leading software solution for fitness professionals and market leader in the Netherlands, more than 50% of all Dutch fitness clubs use our software every day!

With a multicultural team of 150 employees worldwide, we're growing faster than ever which is why we're looking for a German-speaking Onboarding Consultant to join our Client Success team. Work from our awesome office in central Amsterdam or from home - we love flexibility. In this role, you'll be the first point of contact with our clients, playing a key role in our growth and making a real impact in a fast-paced tech scale-up!

Join us in creating a healthier and happier world 💪🚀

What you'll do:

- 💬 You provide first-class onboarding for our new customers
- 🚀 You help our customers succeed in their first months with us
- 🤝 You build genuine relationships and become a trusted advisor for them

Always include:

- 🔥 Make a difference every day - your ideas and work truly count

✅ What you bring:

- [Mandatory] Native level language skills in German;
- Good written and verbal communication skills in English;
- You have a positive attitude and excellent communication skills
- You are empathetic and creative in problem-solving

What we offer 🎁:

- 🎯 Unlock your potential with 1-on-1 coaching, assessments, and a defined career path!
- 🐶 A fun and pet-friendly office by the Amsterdam canals
- 🎉 Weekly team lunches, Friday drinks, fun events & company trips
- 💪 Health & wellness perks – gym budget, discounts & more
- ✈️ Work abroad up to 12 weeks a year (within Europe)
- 🌴 25 paid vacation days (+ option to buy more)
- 🏠 Flexibility to work from our office in the city center of Amsterdam or from your home

👛 Why Virtuagym?

We're a diverse, international team (35+ nationalities) with a flat hierarchy, lots of freedom and room to grow. Here, your ideas matter and you'll make a real impact - while having fun along the way!
